## UF Precision Medicine Conference

**Day One: Thursday, March 8th, 2018**  
**Innovation CoRE Theater**

<table>
<thead>
<tr>

<th>Speaker</th>
</tr>
</thead>
</table>
| 12:30 – 1:15 | Keynote Presentation               | **Julie Johnson, Pharm. D.**  
Dean and Distinguished Professor, College of Pharmacy  
Director, UF Health Personalized Medicine Program  
Member of the National Academy of Medicine  
Department of Pharmacotherapy and Translational Research  
University of Florida |
| 1:15 – 2:15  | Precision Medicine in Practice     | **Howard McLeod, Pharm.D.**  
Senior Member, Department of Cancer Epidemiology  
Founding Medical Director, DeBartolo Family Personalize Medicine Institute  
Cancer Research Endowed Chair  
Moffitt Cancer Center |
|              |                                    | **Kiran Musunuru, M.D., Ph.D., M.P.H.**  
Associate Professor, Cardiovascular Medicine and Genetics  
University of Pennsylvania Perelman School of Medicine |
| 2:15 – 3:00  | Genetic Gems                       | **Peter O'Donnell, M.D.**  
Assistant Professor of Medicine  
Associate Director for Clinical Implementation  
Center for Personalized Therapeutics  
University of Chicago |
| 3:00 – 3:15  | Break                              | **Dan M. Roden, M.D.C.M.**  
Professor of Medicine, Biomedical Informatics, and Pharmacology  
Senior Vice President for Personalized Medicine  
Sam L. Clark, M.D., Ph.D., Endowed Chair  
Department of Medicine  
Vanderbilt University School of Medicine |
| 3:15 – 4:00  | Keynote Presentation               | **Alexander Parker, Ph.D., M.S.**  
Associate Director, Center for Individualized Medicine  
Professor of Epidemiology and Urology  
Mayo Clinic |
| 4:00 – 5:00  | Precision Medicine in Practice     | **David Nelson, M.D.**  
Director, Clinical and Translational Science Institute  
Associate Dean for Clinical Research, College of Medicine  
Assistant Vice President for Research, Office of Research  
University of Florida |
| 5:00 – 5:45  | Genetic Gems                       | **Josh F. Peterson, M.D., M.P.H.**  
Associate Professor of Biomedical Informatics  
Associate Professor of Medicine  
Vanderbilt University |
<p>| 5:45 – 7:15  | Reception and Poster Viewing       |                                                                                                   |</p>
<table>
<thead>
<tr>
<th>Time</th>
<th>Topic</th>
<th>Speaker</th>
</tr>
</thead>
</table>
| 8:00 – 9:30| Genetic Testing to Predict Medication Effects and Chronic Disease Risk in Cardiology: Is It Ready for Prime Time? | **Larisa Cavallari, Pharm. D.**  
Associate Professor of Pharmacotherapy and Translational Research  
Director, Center for Pharmacogenomics  
University of Florida  
 **Craig Lee, Pharm. D., Ph.D.**  
Associate Professor of Pharmacy  
Division of Pharmacotherapy and Experimental Therapeutics  
UNC Eshelman School of Pharmacy  
University of North Carolina at Chapel Hill |
| 9:30 – 10:15| FDA Regulatory Update and Perspective on Genetics and Pharmacogenetics | **Michael Pacanowski, Pharm.D., M.P.H.**  
Associate Director for Genomics and Targeted Therapy  
Center for Drug Evaluation and Research  
Office of Translational Sciences and Office of Clinical Pharmacology  
Food and Drug Administration |
| 10:15 – 10:30| Break                                                                 |                                                                                                  |
| 10:30 – 12:00| Choosing Wisely: When (and When NOT) to Use Pharmacogenetic Testing in Psychiatry | **Jeffrey Bishop, Pharm.D., M.S., BCPP, FCCP**  
Associate Professor, Department of Experimental and Clinical Pharmacology  
Adjunct Associate Professor, Department of Psychiatry  
University of Minnesota  
 **Carol Matthews, M.D.**  
Director, Center for OCD, Anxiety, and Related Disorders  
Brooke Professor and Vice Chair, Strategic Development  
Department of Psychiatry  
University of Florida |
| 12:00 – 1:00| Boxed Lunch Provided                                                   |                                                                                                  |
| 1:00 – 2:30| Innovative Practice Models for Incorporating Precision Medicine into Primary Care: Making It Work | **Megan Arwood, Pharm.D., BCPS**  
Clinical Assistant Professor, Department of Pharmacotherapy and Translational Research  
University of Florida  
 **Michael Schuh, Pharm.D., M.B.A., FAPhA**  
Assistant Professor, Pharmacy, Family Medicine and Palliative Medicine  
Clinical Pharmacist, Medication Therapy Management Practice  
Mayo Clinic  
 **Elizabeth Clements, Pharm.D., BCACP**  
Clinical Pharmacist  
Florida Hospital Celebration Health  
 **Debra Barnette, Pharm.D., BCPS, BCACP, CDE, FCCPS**  
Assistant Professor of Clinical Pharmacy  
Pharmacy Practice and Science  
Ohio State University |
| 2:30 – 2:45| Break                                                                 |                                                                                                  |
| 2:45 – 4:15| Pharmacogenetic Testing for Pain Management: A Prescription for Relief? | **Larisa Cavallari, Pharm. D.**  
Associate Professor of Pharmacotherapy and Translational Research  
Director, Center for Pharmacogenomics  
University of Florida  
 **Roger Fillingim, Ph.D.**  
Director, Pain Research and Intervention Center of Excellence  
Professor, Department of Community Dentistry and Behavioral Sciences  
University of Florida  
 **Siegfried Schmidt, M.D., Ph.D.**  
Professor, Department of Community Health and Family Medicine  
Faculty, UF Pain Research and Interventional Center of Excellence  
University of Florida |
| 4:15 – 5:00| Precision Medicine in Oncology: What You Really Need to Know and How to Keep Up | **Cyrine-Eliana Haider, Pharm.D., BCPS, BCOP**  
Clinical Pharmacogenetics Coordinator  
St. Jude Children’s Research Hospital  
Assistant Professor, Department of Clinical Pharmacy  
University of Tennessee Health Science Center |
<table>

</tr>
</thead>
</table>
| 8:00 – 9:00  | Implementing Pharmacogenetics: To the CPIC Guidelines and Beyond | **Kristin Weitzel, Pharm. D., CDE, FAPhA**  
Associate Director, UF Health Personalized Medicine Program  
Director, Continuing Pharmacy Education  
Editor-in-Chief, *Pharmacy Today*  
Clinical Professor, Pharmacotherapy and Translational Research  
University of Florida  

**J. Kevin Hicks, Pharm. D., Ph.D.**  
Personalized Medicine Specialist, Department of Individualized Cancer Management  
Moffitt Cancer Center  
Assistant Professor, Morsani College of Medicine  
University of South Florida  

**Mark Dunnenberger, Pharm. D.**  
Director of Pharmacogenomics, Center for Molecular Medicine  
NorthShore University Health System |
| 9:00 – 10:00 | Evaluating Commercial Laboratories for Pharmacogenetic Testing: Questions and Answers | **Mark Dunnenberger, Pharm. D.**  
Director of Pharmacogenomics, Center for Molecular Medicine  
NorthShore University Health System |
| 10:00 – 10:15| Break                                           |                                                                                                  |
| 10:15 – 11:00| Communicating and Documenting Clinical Practice Recommendations in Pharmacogenetics | **Gillian Bell, Pharm.D.**  
Clinical Pharmacist, Personalized Medicine Program  
Mission Health System |
| 11:00 – 12:00| Pharmacogenetics Patient Case Challenges: What Would You Do? | **J. Kevin Hicks, Pharm. D., Ph.D.**  
Personalized Medicine Specialist, Department of Individualized Cancer Management  
Moffitt Cancer Center  
Assistant Professor, Morsani College of Medicine  
University of South Florida  

**Kristin Weitzel, Pharm. D., CDE, FAPhA**  
Associate Director, UF Health Personalized Medicine Program  
Director, Continuing Pharmacy Education  
Editor-in-Chief, *Pharmacy Today*  
Clinical Professor, Pharmacotherapy and Translational Research  
University of Florida  

**Max Smith III, Pharm.D., BCPS**  
Postdoctoral Fellow, Department of Pharmacotherapy and Translational Research  
University of Florida |
